

MIND MAP

White Rock- South Surrey meals on Wheels

This program will help me to refine the products or snacks that have nutrients and are easy to eat & requirements for people who are unable to cook.

Preferred Future

I want to be an entrepreneur; have a business setup in food services sector.

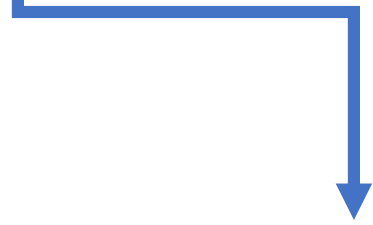

Hamper to Your Home

This program provide the knowledge regarding delivery protocol and how to deal with various issues that may arise with customers.

Strive Centre Vancouver

This community food program helps me to engage and define healthy development and socialization by preparing nutritious community food.
